Certification preparation 2/3

General rules about questions

- Questions
 - are simple and objective.
 - can be single choice or multiple choice, which will be clearly indicated.
- Multiple-choice questions
 - number of correct answers is given as part of the question.
 - question is considered correct only if all correct alternatives are selected.
 - i.e. multiple-choice questions **cannot** be partially correct. They are either correct or wrong.

Certification preparation 3/3

Important Exam Process and Security Guidelines

- An on-site exam:
 - is proctored in person by an exam supervisor
 - requires 2 forms of valid identification (not expired)
 - at least one government-issued photo ID
 - personal items (cell phones, bags, notepads, organizers, etc.) not allowed
- An online exam:
 - requires stable internet
 - is proctored remotely via Zoom (both webcam and entire desktop)
 - requires government-issued photo ID (not expired) via webcam
 - is only released by the exam supervisor after checking the exam environment
 - requires you to be in a quiet and secure room alone throughout the exam
 - you will be asked to rotate your webcam around the room
 - only one screen may be active.
 - cellphones/tablets and recording devices are forbidden
 - requires you use the Questionmark Secure browser to access the exam

Corrections to text of Learning Journey: Developing with SAP Extension Suite

Dear Learning Hub team, first of all, I'd like to say how impressed I am with the flow and text of the Learning Journey - Development with SAP Extension Suite. Well done! Whilst going through the learning journey, I have noticed a few errors in parts of the text. Although the errors are not major, I would like to be able to feed them back to the Learning Jou ...
